CCSA SPOTLIGHT – Krista Erickson, WKU Study Abroad

"I've never been so excited to properly identify tree roots or a bird before! As a study abroad advisor, I typically only get to work with students before or after they're abroad. Having the opportunity to experience the middle part with them will definitely change how I advise my students in the future."

Krista – Program Admin: Belize Land & Sea

SPREAD THE WORD – NEW ZEALAND – Winter 2018/2019!

CCSA is pleased to offer three course options for the winter program this year: Contemporary Art and Indigenous Cultures of New Zealand, Island Biogeography: Exploring the Biodiversity of New Zealand, & New Zealand: Interaction of Indigenous and European Cultures.
