CCSA SPOTLIGHT – Storyteller Trey Burns

“My trip to Australia was the best two weeks of my life. I absolutely fell in love with the people, the animals, and the many beautiful places we went to. I have never seen a place that cares so deeply for the environment and would do anything to help protect it. Though the fires are terrible, and the people are really hurting because of them, we were never in any actual danger. CCSA did a great job of ensuring our trip was both safe and fun.”

Thank you – John Strada!

In addition to teaching with CCSA, John Strada has also been a successful On-Site Administrator. Please join us in thanking John for his efforts and support to help increase study abroad opportunities for his students and to the students of all our member school campuses!

John will be Program Co-Director with Krista Kimmel on London Summer 2020.

CCSA Custom Programs

Custom programs enable schools to control their programs while CCSA provides logistical support. The school selects the program leaders and approves the program, then CCSA Custom Global helps make it happen!
