

SUMMER PROGRAM UPDATE

The Ireland-Early program is complete and Belize Anthropology began May 31. The London Summer program has lower enrollment than was budgeted, but still has several successful classes that will be on track to depart in July as planned. Australia, Ireland Late and South Africa were cancelled due to low enrollment. Thank you for your support for the Summer programs, let's do our best to do better with the Winter enrollment.

WINTER PROGRAM UPDATE

The Winter program applications are open. Courses are grouped differently than in the past, with the following categories - London Global Business, London Sports & Media, London Theatre & Literature, London Winter, and London & Dublin: Two Capitals. Hopefully the grouping of courses will help advisors guide students and provide additional cross-course communication opportunities while on site. Thank you to all who have helped establish the Winter program course schedule and those who are helping to fill our class rosters for these courses. For more information on CCSA's Winter course options, please see the listing located here: <https://ccsa.cc/programs/>

FACULTY PROPOSALS FOR WINTER 2017/2018

Please continue reaching out to faculty on your campus who you feel would be strong CCSA teachers and recruiters. The courses for Summer of 2017 have been selected, and we expect the applications for Winter 2017/2018 proposals will be open shortly after the Summer 2016 programs return. It's never too early to start communicating with potential faculty members, letting them know the advantages CCSA offers for their ability to teach abroad.

CCSA constantly seeks innovative faculty to deliver internationally and academically appropriate courses.
