FACULTY PROPOSALS FOR WINTER 2017/2018

Please continue reaching out to faculty on your campus who you feel would be strong CCSA teachers and recruiters. Winter 2017/2018 proposals are still being accepted. It's never too early/late to start communicating with potential faculty members, letting them know the advantages CCSA offers for their ability to teach abroad.

Additional information about teaching with CCSA can be viewed here:

CCSA STORYTELLER SCHOLARSHIPS

We strongly urge you to encourage students to apply for the CCSA Storyteller Scholarship for this Winter, and beyond. The latest round actually had two scholarships that were not awarded because no applications were submitted for the Ireland Program. Please help us spread the word to students about this excellent opportunity to gain up to \$1,000 toward participation on a CCSA Program. More information is available here:

Summer 2017 Spotlight – Scotland: City & Highlands

CCSA's Scotland Program provides students with a variety of classes that explore various aspects of Scotland's romantic past and dynamic present. Participants will experience Scotland's two great cities — picturesque Edinburgh and lively Glasgow. Students will also gain a richer understanding of Scotland's distinctive geography and culture during a three-day excursion into the beautiful Highlands.

Thank You

CCSA would like to pass a big "Thank you" to Doug Hume of NKU for his continuing successes working with CCSA. Professor Hume demonstrates excellent skills in promoting his program across multiple campuses, and his knowledge of Belize is an excellent resource for other faculty interested in teaching in this region.
