

SUMMER 2017 PROGRAM UPDATE

Irish Eyes are Smiling and the Scotland Program are nice additions to CCSA's regular offerings this year. The Scotland Program is going with two courses that made (Dr. Cynthia Resor: History and Dr. Shannon Galbraith-Kent: Biology).

FACULTY PROPOSALS FOR SUMMER 2018

Please continue reaching out to faculty on your campus who you feel would be strong CCSA teachers and recruiters. Second round Summer 2018 proposals are being accepted. It's never too early/late to start communicating with potential faculty members, letting them know the advantages CCSA offers for their ability to teach abroad.

Winter 2017/2018 Spotlight – Australian Biology!

CCSA's Winter Australia Program is back! Students will join CCSA and snorkel World Heritage reefs; trek through rain forests near tropical Cairns; discover the museums, gardens and parks around metropolitan Melbourne, Australia's second largest city and home to some of the continent's largest communities of penguins, seals, kangaroos and koalas; and participate in a conservation service project.
