BEYOND THE FOOTLIGHTS: THEATRICAL TRADITION IN BRITAIN

Theatre

This course examines the rich heritage of theatrical production in Britain from the medieval to the current West End stage. The class will include backstage tours of British theatre and concert halls, such as the National, the Globe, and Drury Lane theatres, as well as discussions with London theatre critic Matt Wolf. Students will explore the rich cultural heritage of London and also visit Shakespeare's birthplace and burial place in Stratford-upon-Avon. Emphasis will be placed on the difference between British and American theatre practice and production, and participants can count on gaining inspiration for future artistic endeavors.
