## EXPLORING LONDON'S HISTORIC AND CONTEMPORARY URBAN CULTURE

Theatre / Pop Culture / History /  
Humanities

From its founding by ancient Romans to its recent waves of immigration, London has been a melting pot of diverse cultures and people. We will visit famous architectural sites, like Westminster Abbey, and delve into the superb collections of cultural artifacts at the British Museum and the Victoria and Albert Museum, while also taking walking tours in historic districts, going backstage at the Globe Theatre, browsing through street markets, and sampling ethnic cuisines.
